

Creating Your Own Fantastical Reality

Smaller scale example

1.

2.

3.

4.

The installation created by the class will be similar but could:

- be Bigger in scale
- Be in a Different location
- Contain Different objects
- Possibly have a different composition
- Possibly have different colors

NOTE: This is an example for this lesson only-this artwork will change depending on the students and school.

2ft x 2ft, indoor-outdoor carpet, construction paper, and random objects
