

Engage

Activities

Low Tech:

- Elephants: paired activity to organise information
- Example: mystery bags – group activity (depends on time and location)
- Individual activities using pen and paper (Draw a scientist)

High Tech:

- [Spot the Difference](#)
- Video of experiments - [BrainPop](#) , [MythBusters](#) , [5min Science experiments](#)
- [What scientist are you?](#)
- [What Mad Scientist are you?](#)

Discussion:

- Pair and share – What do the scientists have in common?
- Whole group substantive conversation

Reflection on Learning (on paper or digitally)
