

Arteries and Veins of the Head

Legend: (Numbers differ from those in text.)

- | | |
|---|---------------------------|
| 1 Common carotid a. | 24 Supraorbital a. and v. |
| 2 External carotid a. | 25 Malar a. and v. |
| 3 Occipital a. | 26 A. of angle of eye |
| 4 Linguofacial tr. and v. | 27 Infraorbital a. and v. |
| 5 Lingual a. and v. | 28 Ext. jugular v. |
| 6 Submental a. and v. | 29 Buccal v. |
| 7 Sublingual a. and v. | 30 Deep facial v. |
| 8 Facial a. and v. | 31 Frontal v. |
| 9 Supf. and deep inf. labial a. and v. | |
| 10 Superior labial a., supf. and deep sup. labial vv. | |
| 11 Rostral lat. nasal a. and lat. nasal v. | |
| 12 Dors. nasal a. and v. | |
| 13 Arterial br. and v. of angle of eye | |
| 14 Ventr. masseteric br. and v. | |
| 15 Caud. auricular a. and v. | |
| 16 Supf. temporal a. and v. | |
| 17 Rostr. auricular a. and v. | |
| 18 Transverse facial a. and v. | |
| 19 Cornual a. and v. | |
| 19' Inf. and sup. palpebral aa. | |
| 20 Maxillary a. and v. | |
| 21 Inferior alveolar a. and v. | |
| 22 Mental a. and v. | |
| 23 Ext. ophth. a., dors. ext. ophth. v. | |

a Pterygoid plexus
b Deep facial plexus
c Ophthalmic plexus

Legend:

A Cutaneous faciei
 B Zygomaticofascicularis
 C Frontoscutularis
 D Scutuloauricularis supf. dors.
 E Scutuloauricularis supf. accessorius
 F Sternomandibularis

a Scutiform cartilage
 b Parotid ln.
 c Parotid gl.
 d Mandibular gl.

e Mandible
 f Facial a.
 g Communicating br. between
 auriculotemporal n. (V3) and
 dorsal buccal br. (VII)

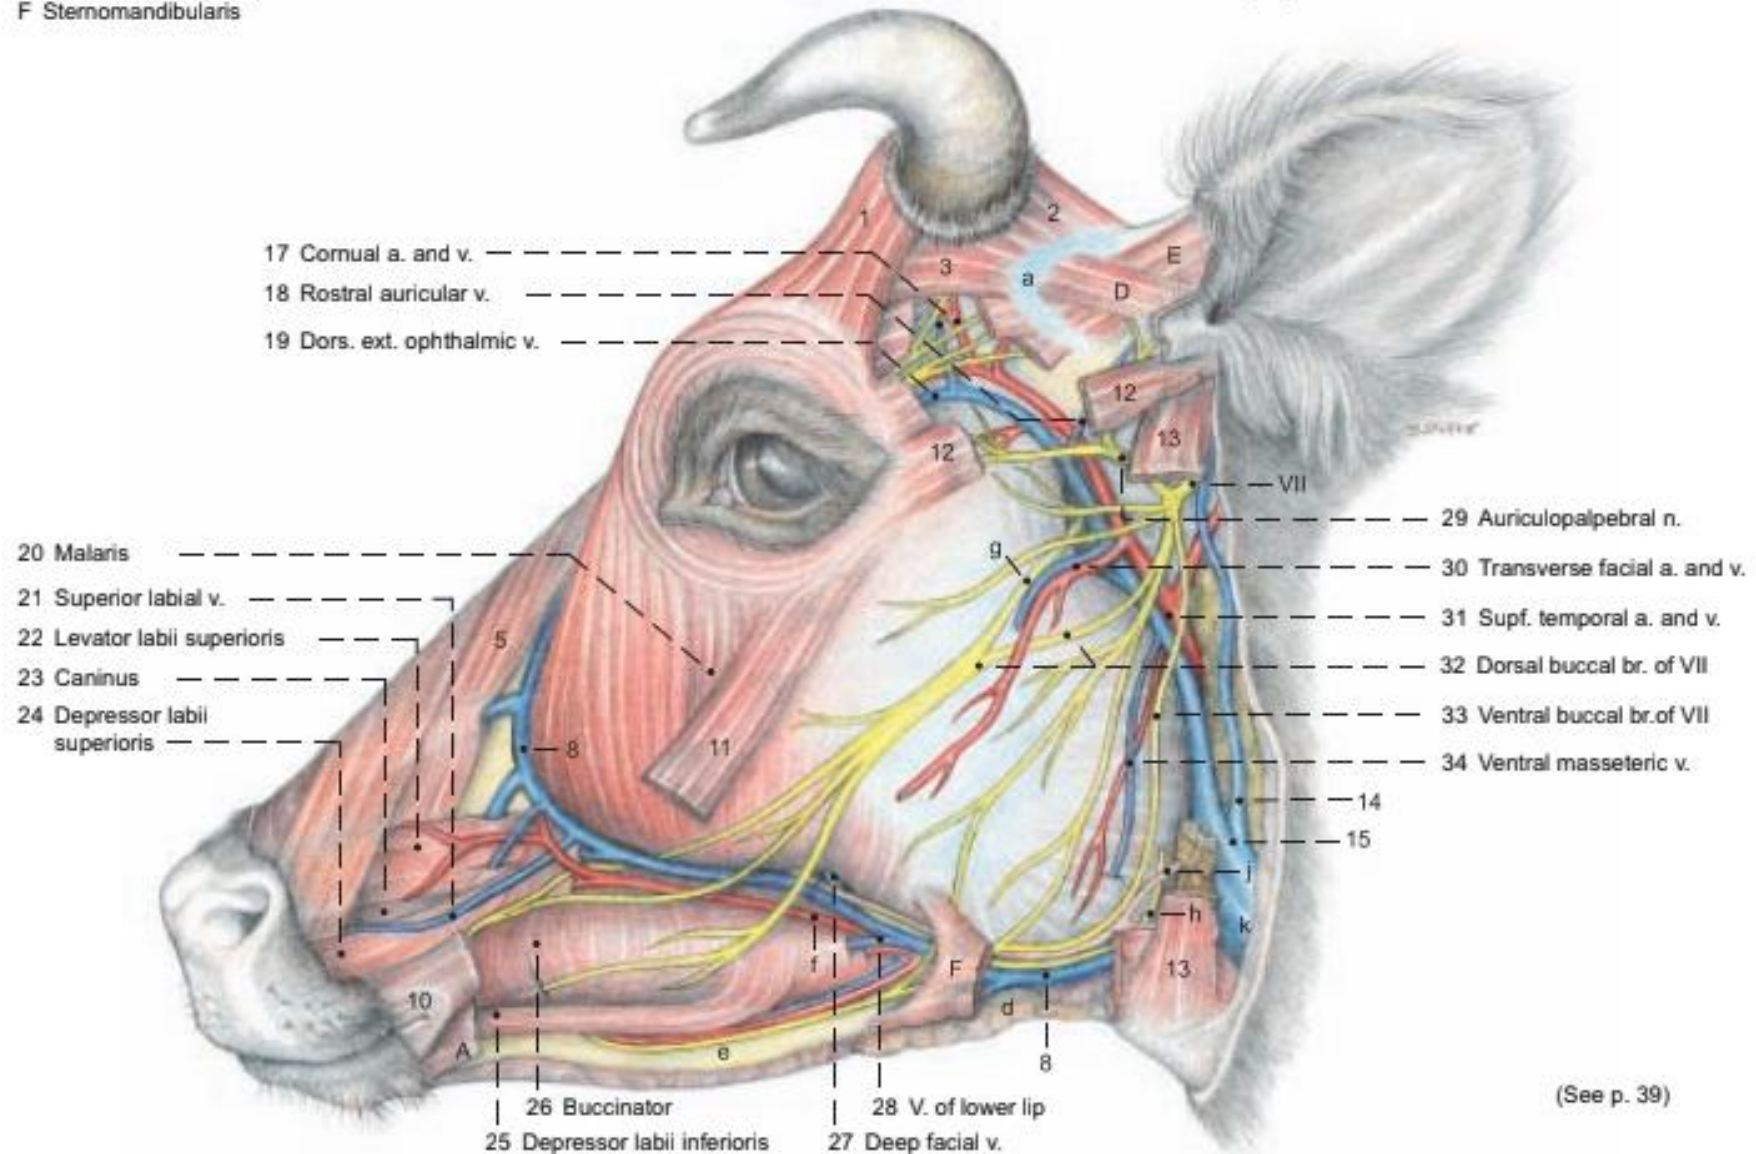

h Parotid br. of buccal n. (V3)
 j Parotid duct
 k External jugular v.

A Cutaneous faciei
B Zygomaticoscutularis
C Frontoscutularis
D Scutoloauricularis supf. dors.
E Scutoloauricularis supf. accessorius
F Sternomandibularis

a Scutiform cartilage
b Parotid ln.
c Parotid gl.
d Mandibular gl.

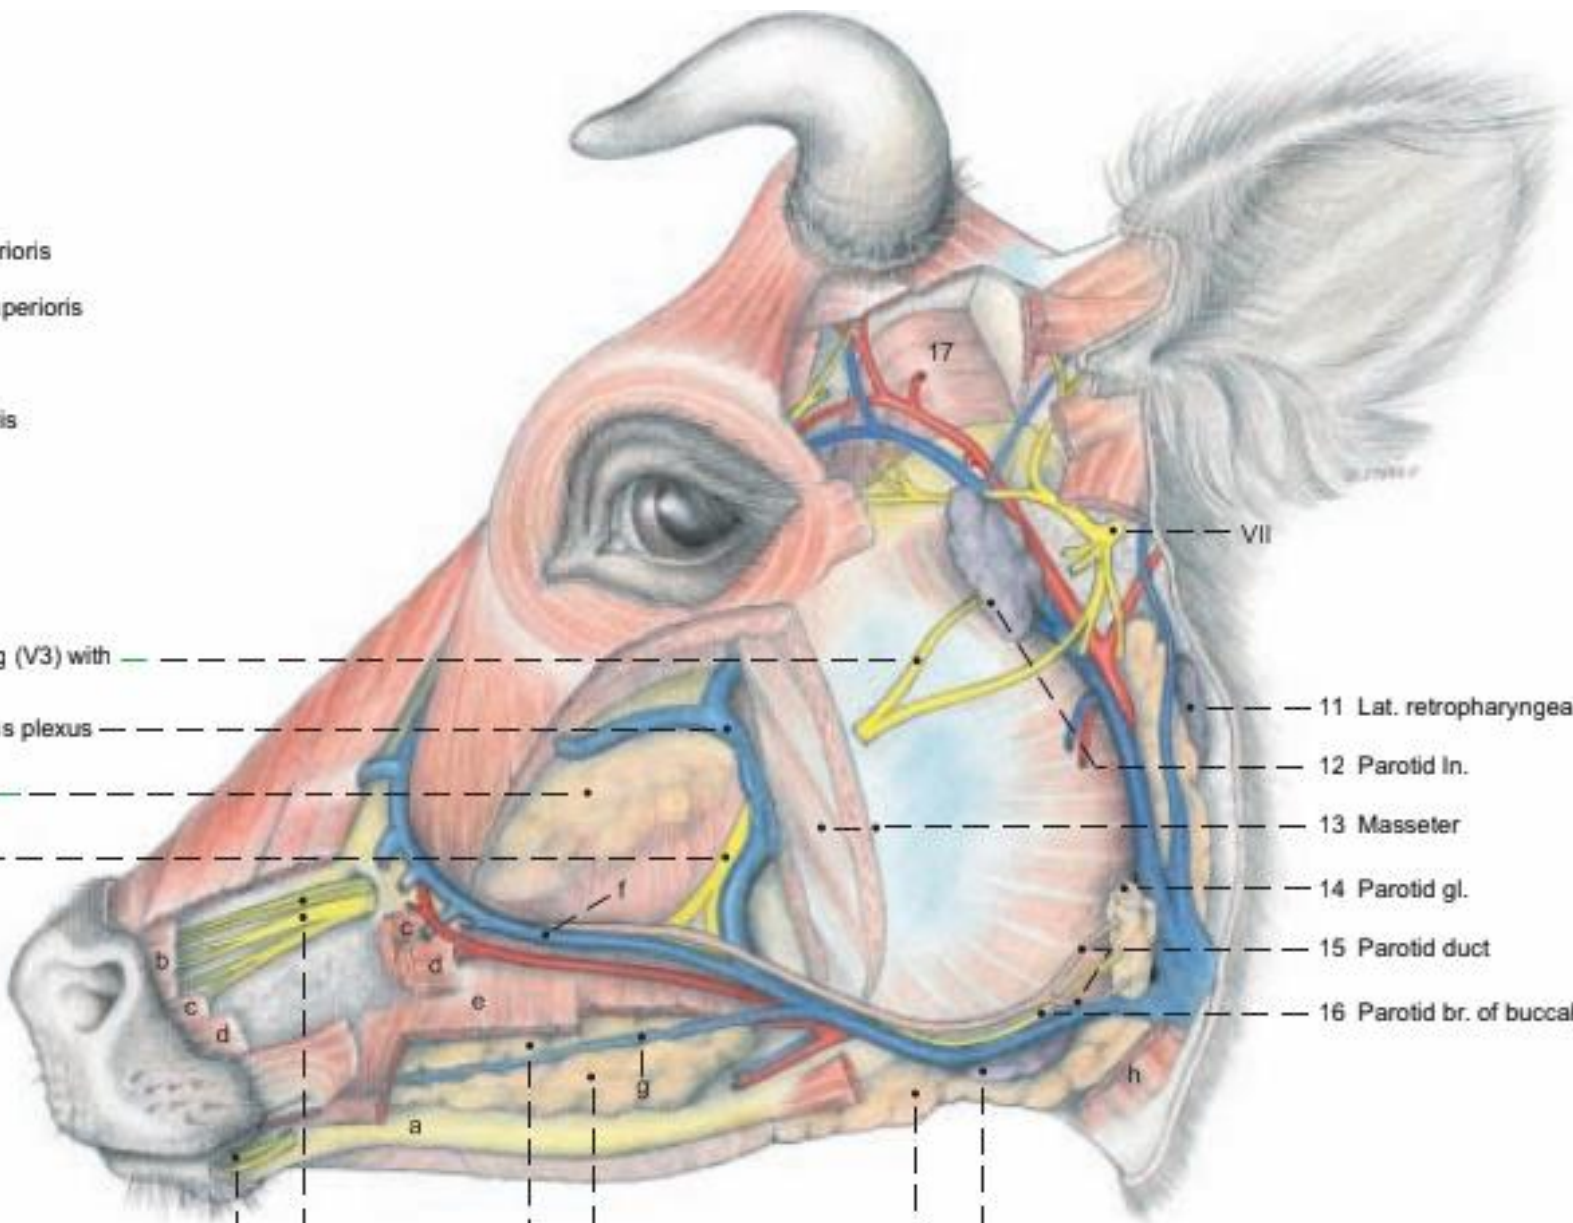

e Mandible
f Facial a.
g Communicating br. between
auriculotemporal n. (V3) and
dorsal buccal br. (VII)

h Parotid br. of buccal n. (V3)
j Parotid duct
k External jugular v.

Legend:

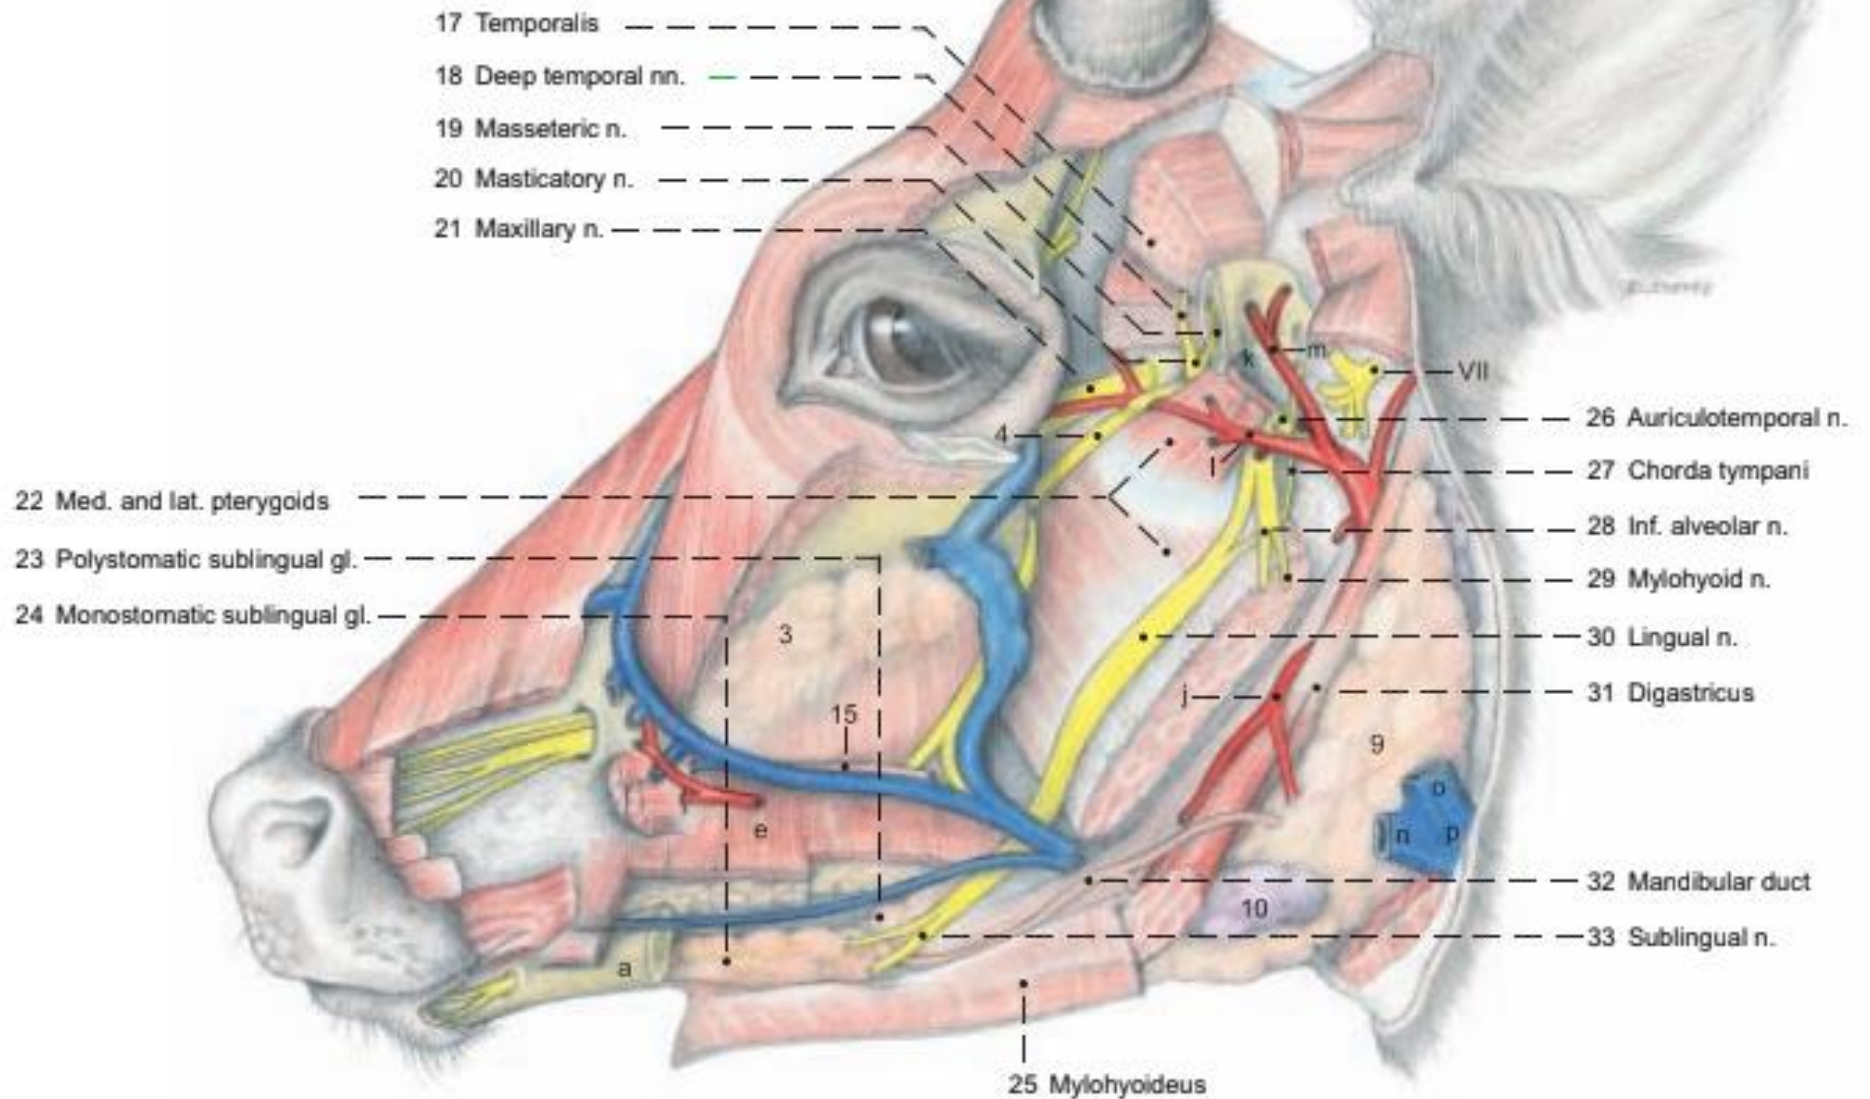

- a Mandible
- b Levator labii superioris
- c Caninus
- d Depressor labii superioris
- e Buccinator
- f Facial vein
- g Vein of lower lip
- h Sternomandibularis

- 
- 1 Br. communicating (V3) with facial n.
 - 2 Deep facial venous plexus
 - 3 Dorsal buccal gl.
 - 4 Buccal n.
 - 5 Mental n.
 - 6 Infraorbital n.
 - 7 Middle buccal gl.
 - 8 Ventral buccal gl.
 - 9 Mandibular gl.
 - 10 Mandibular In.
 - 11 Lat. retropharyngeal In.
 - 12 Parotid In.
 - 13 Masseter
 - 14 Parotid gl.
 - 15 Parotid duct
 - 16 Parotid br. of buccal n.
 - 17 VII

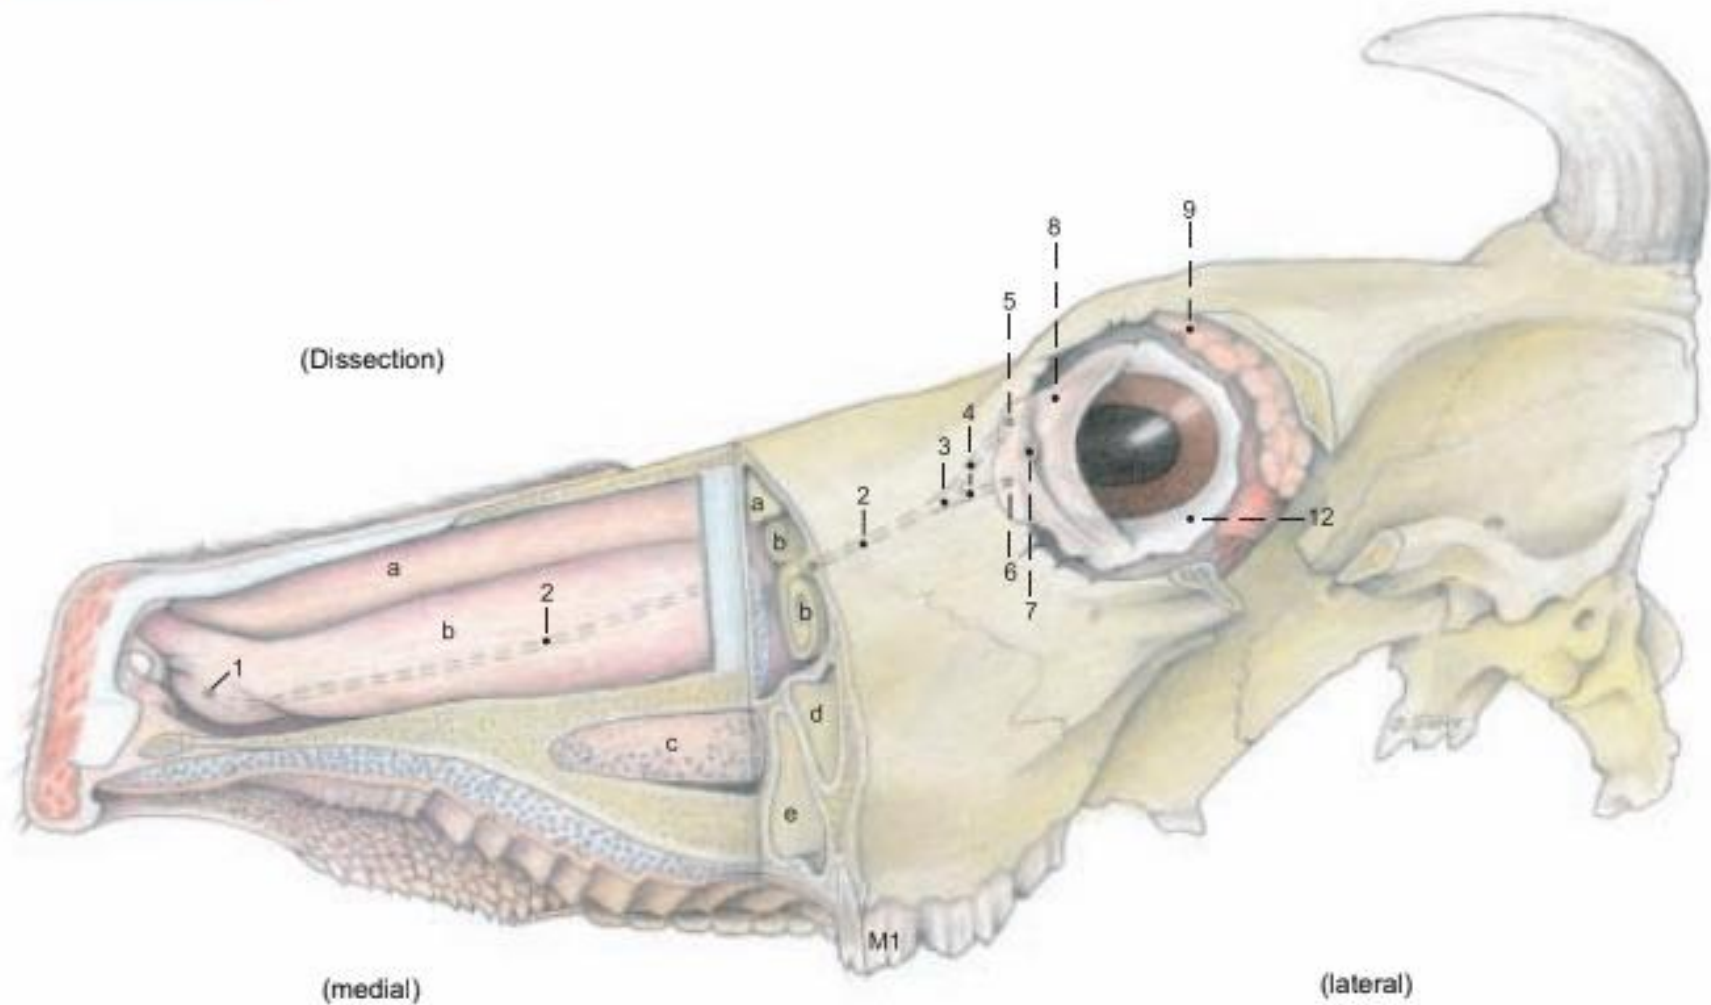

Legend:

(See pp. 37, 47, 49)

- j Linguofacial trunk
- k Articular disc
- l Maxillary a.
- m Supf. temporal a.
- n Linguofacial v.
- o Maxillary v.
- p Ext. jugular v.

Lacrimal apparatus

Legend:

- 1 Nasolacrimal orifice
- 2 Nasolacrimal duct
- 3 Lacrimal sac

- 4 Lacrimal canaliculi
- 5 Superior lacrimal punctum
- 6 Inferior lacrimal punctum

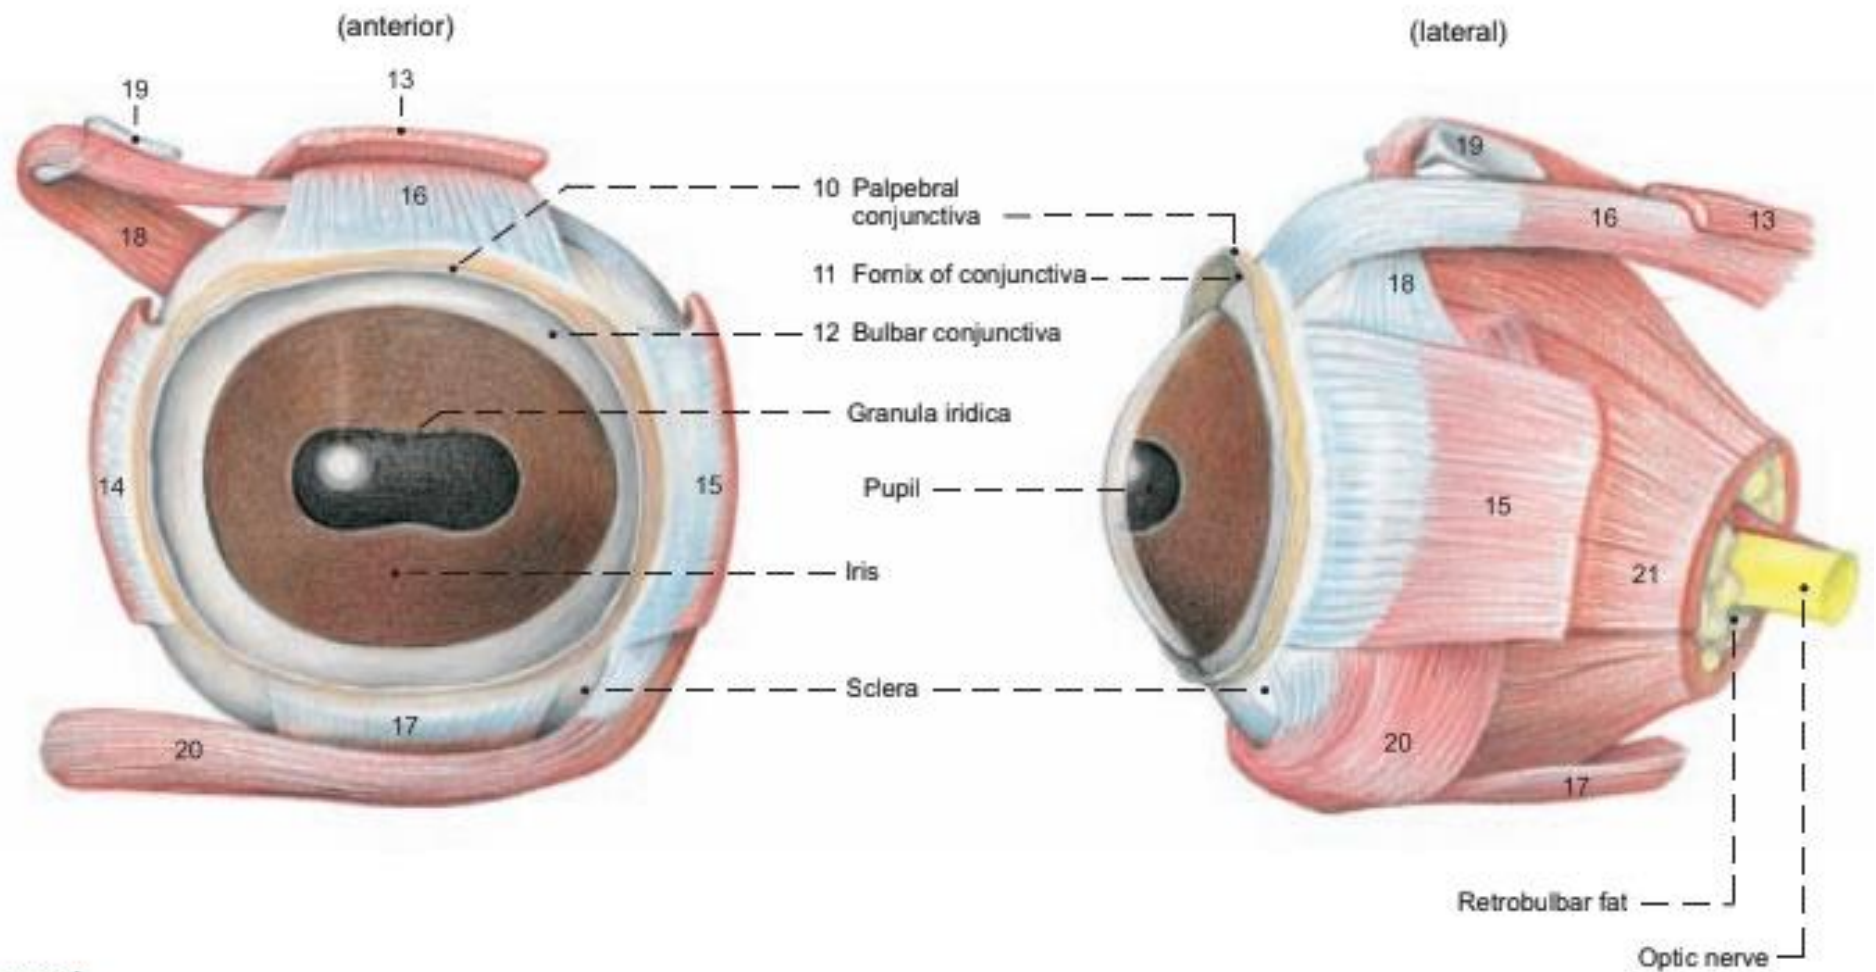

- 7 Lacrimal caruncle
- 8 Third eyelid
- 9 Lacrimal gland

Legend:

- a Dorsal nasal concha
- b Ventral nasal concha
- c Venous plexus

- d Maxillary sinus
- e Palatine sinus

Bulbar muscles (Left eye)

Legend:

13 Levator palpebrae superioris
14 Medial rectus

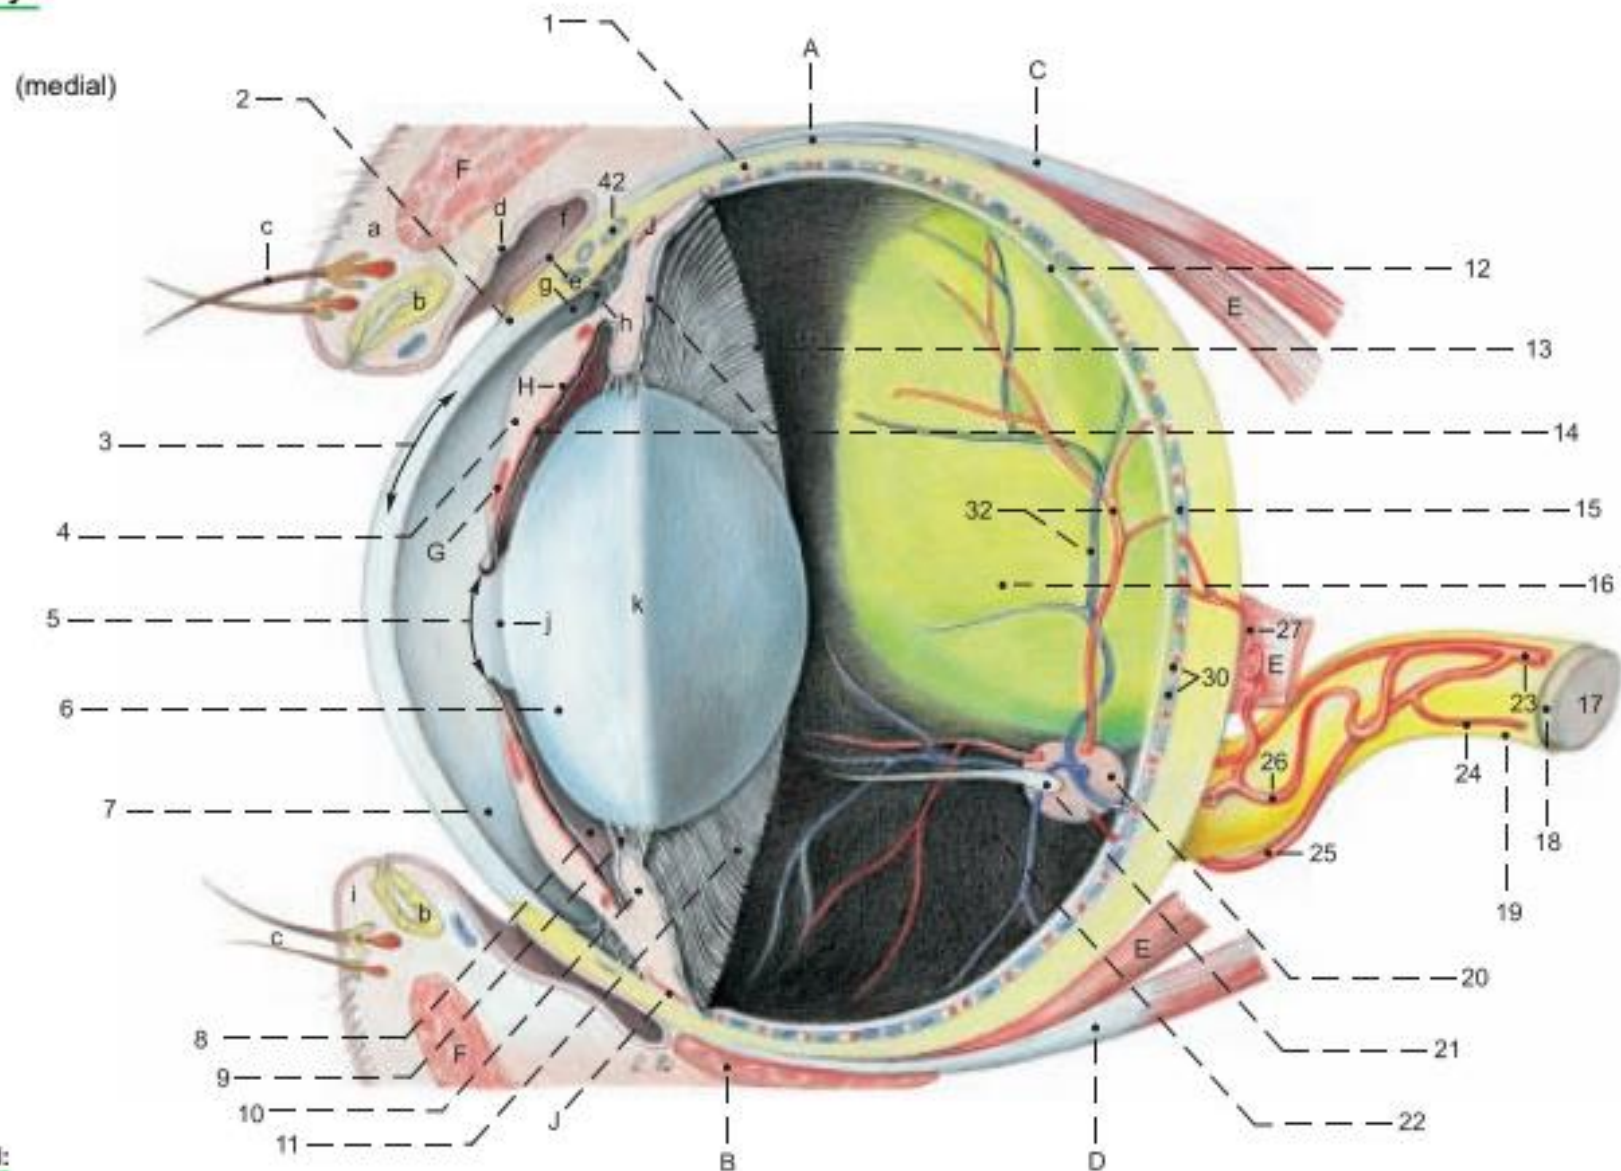

15 Lateral rectus
16 Dorsal rectus

17 Ventral rectus
18 Dorsal oblique

19 Trochlea
20 Ventral oblique

21 Retractor bulbi

Right eye

Legend:

Fibrous tunic:

- 1 Sclera
- 2 Limbus of cornea
- 3 Cornea

6 Lens

- 7 Anterior chamber
- 8 Posterior chamber
- 9 Zonular fibers

Retina:

- 12 Optical part of retina
- 13 Ora serrata
- 14 Blind part of retina (pars ceca)

17 Optic n.

- 18 Internal sheath of optic n.
- 19 External sheath of optic n.
- 20 Optic disc
